

Tangy Turkey Day!

Can you solve using ONLY mental math? (++)

$$\text{Pie} + \text{Acorn} = 30$$

$$\text{Pie} + \text{Turkey} = 24$$

$$\text{Acorn} + \text{Turkey} = 14$$

$$\text{Pie} - \text{Turkey} + \text{Acorn} = \underline{\hspace{2cm}}$$
