

# Tangy Turkey Day!

Can you solve using ONLY mental math? (+++ ++)

$$39 - \text{leaf} = \text{pie} \times \text{pie}$$

$$\text{pie} - \text{leaf} + \text{pie} = \text{leaf} \times \text{leaf}$$

$$4 \times \text{pie} + \frac{\text{pie}}{\text{leaf}} = \underline{\hspace{2cm}}$$
