

# Tangy Turkey Day!

Can you solve using ONLY mental math? (+++ + +++)

$$\frac{\text{Pie}}{\text{Pie}} - \frac{\text{Turkey}}{\text{Acorn}} = \frac{\text{Pie}}{\text{Acorn}}$$

$$\frac{\text{Pie}}{\text{Acorn}} \times \frac{\text{Pie}}{\text{Acorn}} = \frac{\text{Turkey}}{36}$$

$$\text{Turkey} \times \text{Acorn} + \frac{\text{Turkey}}{\text{Pie}} = \underline{\hspace{2cm}}$$
