

# Happy Tangy Turkey Day!

---

Use reasoning to solve the equation below! (+++)

$$\text{Turkey} + \text{Leaf} = 29$$

$$\text{Turkey} + \text{Pie} = 25$$

$$\text{Leaf} + \text{Pie} = 36$$

$$\text{Leaf} - \text{Turkey} + \text{Pie} = \underline{\hspace{2cm}}$$
