

# Happy Valentine's Day!

---

Can you explain your thinking? (+++ ++)

$$\text{Envelope with heart} \times 21 = \text{Double heart} \times 28$$

$$\text{Envelope with heart} - \text{Double heart} = \text{Bird}$$

$$\text{Envelope with heart} + \text{Bird} + \text{Envelope with heart} = \text{Bird} \times \text{Double heart} + \text{Bird}$$

$$\text{Envelope with heart} + \text{Double heart} = \underline{\hspace{2cm}}$$
