

ENGLISH · ESPAÑOL · K-5

2026 Tang Math Summer Program

Summer may be the **best & only** time for effective student intervention. Our carefully-crafted lesson progressions break down key skills concretely, pictorially, and abstractly – leaving nothing to chance.

PROGRAM HIGHLIGHTS

<p>20</p> <p>Lessons per grade</p> <p>A complete K–5 summer progression of 20 carefully-sequenced lessons.</p>	<p>✓</p> <p>Printed & digital workbooks</p> <p>60-page student workbook for every learner, plus digital access.</p>	<p>A</p> <p>English & Spanish</p> <p>Full curriculum and student materials available in both languages.</p>
