

Dear Parents,

Are you looking for an activity that will allow your child to continue learning *and* have fun during spring break? Then check out Greg Tang's Spring Math Challenge! TangMath.com/spring

Tang Math

SPRING MATH

CHALLENGE

The logo for the Spring Math Challenge is visually appealing. It features the words 'Tang Math' in a bold, green, sans-serif font at the top. Below this, the words 'SPRING MATH' are written in a large, blue, sans-serif font. The letters of 'SPRING MATH' are decorated with colorful flowers (pink, yellow, and purple) and a yellow sun. The bottom part of the logo consists of the word 'CHALLENGE' in a bold, green, sans-serif font. The entire logo is set against a background of green grass.

Students can go to gregtangmath.com to complete the activities on the attached game board.

This is an *optional* activity. Students who can't participate will not be penalized in any way. Students who complete the challenge can earn a certificate and a chance to win a prize from the TangMath.com Store.

It is fine for students to get help from you or someone else if they need it. They can also move to harder or easier levels of the games to make them more or less challenging.

After your child completes the activity, just sign their sheet and send it back to school with them by May 6th.

Sincerely,
