Are there fewer  elephants or  snakes ?

1.

 = _____

 = _____

 = _____

Are there more  triangles or  hexagons ?

Are there fewer  hexagons or  squares ?

1.

 = _____

 = _____

 = _____

Are there more  cylinders or  cones ?

Are there fewer  cones or  cubes ?

Count and compare the number of solid shapes.

a. How many  spheres?

1 2 3 4 5

b. How many  cones?

1 2 3 4 5

c. How many  cylinders?

1 2 3 4 5

d. How many  cubes?

1 2 3 4 5

GRAPH IT - B

Color the balls. Then figure out how many and write the total at the right side.

blue baseballs	   	4
red soccer balls	    	
purple footballs	 	
green volleyballs		
orange basketballs
