

1.

$$3 + 1 = \boxed{4}$$

2.

$$1 + 4 = \boxed{}$$

3.

$$1 + 2 = \boxed{}$$

4.

$$2 + 3 = \boxed{}$$

1.

$$1 + 3 = \square$$

Show the parts. Find the total.

a. The parts are 2 and 2.

$$\underline{\quad} + \underline{\quad} = \underline{\quad}$$

part part total

b. The parts are 4 and 1.

$$\underline{\quad} + \underline{\quad} = \underline{\quad}$$

part part total

COLOR CODE - B

Draw and color the correct number of circles in the five-frame.
Then fill in the missing number in the number bond.

 orange	 blue	 blue	 blue	
---	---	---	---	--

$$\begin{array}{rcccl} 1 & + & 3 & = & \underline{\quad} \\ \text{orange} & & \text{blue} & & \text{total} \\ & & & & \text{circles} \end{array}$$

--	--	--	--	--

$$\begin{array}{rcccl} 2 & + & 1 & = & \underline{\quad} \\ \text{orange} & & \text{blue} & & \text{total} \\ & & & & \text{circles} \end{array}$$

--	--	--	--	--

$$\begin{array}{rcccl} 3 & + & 2 & = & \underline{\quad} \\ \text{orange} & & \text{blue} & & \text{total} \\ & & & & \text{circles} \end{array}$$

--	--	--	--	--

$$\begin{array}{rcccl} 2 & + & 0 & = & \underline{\quad} \\ \text{orange} & & \text{blue} & & \text{total} \\ & & & & \text{circles} \end{array}$$
