

Subtract to find the missing part.

a. Cross off 2. How many are left?

$$\begin{array}{c} \underline{\quad} \\ \text{total} \end{array} - \begin{array}{c} \underline{\quad} \\ \text{part} \end{array} = \begin{array}{c} \underline{\quad} \\ \text{part} \end{array}$$

b. Cross off 4. How many are left?

$$\begin{array}{c} \underline{\quad} \\ \text{total} \end{array} - \begin{array}{c} \underline{\quad} \\ \text{part} \end{array} = \begin{array}{c} \underline{\quad} \\ \text{part} \end{array}$$
