

Use Base 10 discs and number bonds to make the next “multiple of 10.”

- a. How much is 4 tens and 6 ones?
How much more makes 50?

- b. Add the parts.

$$\underline{\quad\quad} + \underline{\quad\quad} = 50$$

- c. How much is 8 tens and 7 ones?
How much more makes 90?

- d. Add the parts.

$$\underline{\quad\quad} + \underline{\quad\quad} = 90$$
