MEASURE UP! - F

Use the hints at the top to complete the table at the bottom.

Helpful Hints:

If the object is shorter than the length of your arm (from elbow to fingertips), use a ruler.

If the object is shorter than your height, use a yard stick or meter stick.

For longer objects, use a tape measure.

List at least 3 things in your classroom, school, or home, you would measure with a:

Ruler:	Yard Stick or Meter Stick:	Tape Measure:
